The exhibition "Appetite", from Nutrition to the Lifestyle with Surrealism, is a reflection on paper and canvas of our youth growing up with an appetite for a healthy enviroment maintaining childhood fantasy & expression through paintings. Nutrition (food) & Art-history (Surrealistic Belgium artist René Magritte as inspiration) have become our way of life during the art-classes in 2007-2008.
Information art-class 563-1411, Jean Vieira.

The exhibition of the paintings is from

June 22 - June 25, 2008

We welcome all future donations on our account at **RBTT 43.03.949**, treasuring our Art Foundation "Stichting Mira" for support as we continue with new proyects in 2008-2009.
